

NFSP Level 1 & 2 Teacher Certification

Come join us at this Personal Training and be certified to teach the National Fishing in Schools Program's "Cast A Lure, Catch A Student" Curriculum!

"Fishing in Schools" is a nationwide, in school program, that provides teachers with an all-inclusive program including: training, curriculum, equipment, grant funding and more. NFSP is taught during the regular school day. Whether you are an experience angler, or picking up a rod for the first time, NFSP makes it easy to learn and easy to teach the positive lifetime activity of fishing to students in elementary, middle and high schools.
